COLLECTOR VEHICLE

- ▶ A vehicle that is insured under the American Modern Property and Casualty Insurance Company (American Modern) program must be used on a very limited basis, such as in exhibitions, club activities, parades, and the occasional pleasure/leisure use and stored in a locked garage when not in use. American Modern insures these vehicles on an Agreed Value basis, and therefore we are looking for vehicles that are in good to excellent maintenance, original or restored condition, and whose characteristics, unique features, rarity, and/or overall popularity with various generations, raise the desirability of the vehicle above that of the common auto.

TEMPORARY SUSPENSION OF WRITINGS

During Temporary Suspensions of Writing, do not accept any applications for new coverage, requests to increase coverage limits, or requests to lower deductibles on existing policies. Existing American Modern policies will renew during this time, provided there is no increase in coverage or lapse between policies.

Temporary Suspension of Writing applies to any risk that is located within any zone or area that is subject to one or more of the following criteria:

Impending Severe Weather

However even if a binding restriction is not listed in AMsuite or on amig.com, but meets any of the above criteria, the temporary suspension of writings should be followed. Producers are encouraged to monitor information resources such as the news when there are impending severe weather or catastrophic events in the area.

The Collector Vehicle policy includes coverage for Disaster Relocation in the event of an impending damage. Please remember to reach out to the customer and ensure them that we are here to help them protect it.
