Performing Cancellation Transactions

The two applicable reasons for a cancel rewrite are “Policy Rewritten with AMIG (Flat)” and “Policy Rewritten with AMIG (Mid-Term)”.

- A flat cancellation sets the cancellation date to the effective date of the current term.
- For mid-term cancels/rewrites, the effective date of the rewrite policy can only be the same date of the original policy’s cancellation. The rewrite cannot be created with an earlier or later effective date.
